CURRO Online

At Curro Online, we provide your child with the best possible 21st-century education from the comfort of your home, through our easy-to-follow online programme presented by dedicated teachers. Learners have live lessons with teachers based on a structured timetable, and all lessons are recorded for revision purposes. Learners can also schedule one-on-one or group sessions with teachers when needing help with their homework.

Curro Online is the ideal choice if the following is true for your family:

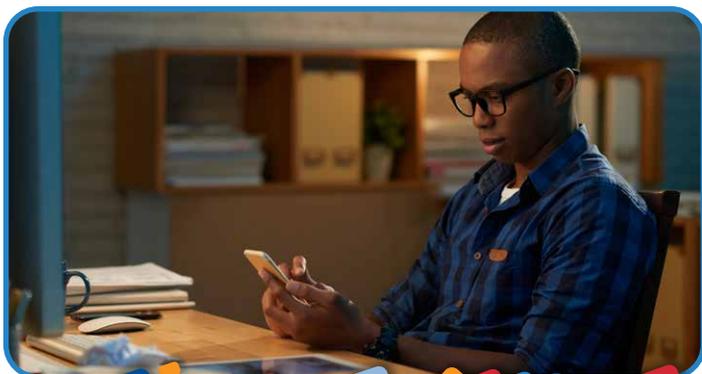

- Traveling to school is challenging or time-consuming.
- Your child excels when working individually.
- Family or sports achievements require your child to travel regularly.
- You want your child to write the IEB examination at the end of Grade 12.
- There are no Curro or Curro Select Schools nearby.
- Your child is self-disciplined and can operate with minimal parental supervision.
- A medical condition or other reason prevents your child from attending school.
- You want the excellence ensured by Curro's approach to education.

At Curro Online, we provide a high-quality, affordable alternative to traditional school. Our approach prepares learners for the technology-rich future they will enter, by providing them with the skills and inherent ethics to function well in the 21st-century workplace.

How do we prepare learners for the future?

- Our curriculum strongly focuses on Mathematics, Science, and Robotics (including coding).
- Learners are exposed to 21st-century technology in the learning process.
- We emphasise soft skills that are in high demand in the workplace: critical thinking, creativity, collaboration, communication, citizenship and character-building.
- Learners develop inherent self-motivation and self-discipline.
- Subjects such as Robotics and IT teach a range of specialised skills such as several programming languages, web design, data systems management, and more.
- Learners become proficient in working remotely, which is becoming an ever-increasing trend.

HOW TO ENROL

STEP 1:

Enrol online at www.curro.co.za or email us for information and an application form: info.online@curro.co.za

STEP 2:

Submit your completed application form along with all supporting documents (indicated on the application form) to the school via email: info.online@curro.co.za.

Note: Supporting documents for online enrolments are to be uploaded.

STEP 3:

Application forms will be assessed.

STEP 4:

If successful, parents will receive via email, a welcome letter and invoice for a once-off non-refundable enrolment fee.

STEP 5:

Once the enrolment fee is paid, the child's place is confirmed (please retain proof of payment for record purposes).

STEP 6:

Please refer to www.curro.co.za regularly to stay up to date with all the relevant news and arrangements.

PLEASE NOTE:

A learner must benefit from the Curro Online mainstream curriculum and it is therefore necessary to assess each application for admission. Applicants are assessed according to the normal entry requirements and, if necessary, extra assessments may be requested.

We look forward to welcoming you to the Curro family.
